

FGS have been so busy, we visited the transport museum, in the snow, and saw some very old cars and buses. Our favourite was the old ice cream van that didn't play music, the driver rang a bell to let everyone know he was there. We also had a great time making toast. " you have to be really careful when the toaster is hot," Alivia warned us. ' I like jam on my toast," Henry told us. We did a class survey and found that chocolate spread was the most popular topping.

This term, we went on a trip to Hull. We loved watching Paddington 2 at Reel Cinemas and we enjoyed our packed lunches. After we sat on a train and spoke to a conductor, it was really interesting. At school, we made teddy bear toast for the Year 4s and ourselves. It was fun making them together and afterwards we ate them! They were magnificent!
From 2HS.

We had an excellent trip this term to the cinema and Paragon Train Station. We loved watching Paddington 2, it was hilarious. Then we learnt lots of facts at the train station. The Great Fire of London has been an interesting topic, we acted it out and wrote fantastic diaries about it. Our class has liked learning about London's landmarks.

From 2JH

We have had a fantastic term learning about Paddington Bear and London. We made Paddington Toast, and marmalade sandwiches and learnt about The Great Fire of London. We also went on a school trip to see Paddington 2 and we

visited Paragon Station to look at the trains.
By 2DS

The children have had a busy term learning all about transport and people who help us. From Sitting on a fire engine to visiting the Transport Museum, the children have been immersed in an array of stories using Talk 4 writing to develop their reading and writing skills. Children thoroughly enjoyed getting dressed up for World book day too, it's not every day you can come to school and wear your PJ's and have a cosy story. Recently the children made their own toast and tasted various toppings, some children surprised themselves when they tasted marmalade for the very first time !!! Happy Easter from FKK

This term FHP have enjoyed our school trip to the transport museum: "I liked seeing the old carriage" Leon Rimmer said. "I enjoyed seeing the old tram" said Benedict. We have spent time looking at "The Duck in the truck" story and have enjoyed many different activities including reading words on eggs, writing our own booklets about the story and creating different paintings to do with the characters and the story. FHP would also like to wish everyone a Happy Easter!!

On Sunday 4th March, I entered a dance competition in Nottingham where I entered lots of styles of dance. It was an extremely busy and exciting day! Children had travelled from lots of towns to enter the competition. Whilst I was there I placed in lots of dances. I won: 1st in the Waltz for 8 years and under. 1st in the Cha Cha Cha for 8 years and under. 4th in the Jive for 7-9 years. 4th in the Boston two step for under 12 years. 6th in the Waltz for 7-9 years. 6th in the Square tango for under 12 years. I was so pleased with how I did in the competition and really proud to show my class mates the trophies that I had won. I can't wait to enter the next competition!
Isabelle Allen 3CT

This term, we started flute lessons with Miss Bantick. She has taught us how to assemble the flute correctly and how to pack it away carefully. We have been learning how to use our mouths to get the best sound and have been focussing on the A, D and G notes. We have to make our mouths look like 'an angry teacher'! We are really enjoying our lessons.

Komar Abdullah, Ruby McGowan and Oliver Chapman (3JB)

Recently in 1JH we have been practising for our end of term topic presentation to parents.. In the Spring term our theme has been "Toy Story".

We have been authors and have written stories based on Jane Hissey's Old Bear story and Lost in the Toy Museum by David Lucas.

As artists we have sketched and painted pictures and using the ipads have developed our Digital Creativity skills using the Brushes Redux app. We have been scientists and have explored the properties of materials to make a waterproof coat for a bear. On our visit to the Museum, a visit from Lynne the Teddy Bear expert and by interviewing Grandparents we developed our historian skills by finding out about toys from the past.

We had a wonderful Teddy Bears picnic and learnt some songs about toys and teddies.

During our topic The Toy's Story we enjoyed going to the Streetlife Museum to look at and play with old toys as well as making our own old fashioned illusion style toys. We were journalists and interviewed a Teddy Bear expert who answered all of our questions about the history of the Teddy, as well as interviewing Grandparents about toys from the past. We have also been artists and writers, taking inspiration from Jane Hissey's Old Bear Stories. We are looking forward to presenting on all we have learnt to our families and friends at our Excellence and Enjoyment morning.

From 1LT

Louis Griffin 4ES - Nearly every Sunday I play for Hesse Rangers, my main position is centre mid. I love playing football for my team because we are all a big community and we always support each other. Normally, we win as we are in division one and we have won several cups.

Victoria 4ES - In February I went to a swimming gala at Ennerdale. I was swimming 100m backstroke and 50m front crawl. I won gold in the backstroke and bronze in the front crawl.

Lilly Ryan 4ES - One day, I went to a horse riding show, it was a jumping show. I won 3rd place and a special award as well for my show jumping.

This term we have had an extremely fun time! We have had a delicious teddy bear's picnic and we've been on an exciting school trip to the Streetlife Museum where we learnt about old toys. We have been learning about materials and we have tested lots of them to see which would be the best material for a teddy bear's raincoat! We have been exercising with Joe Wicks on our screen for Sports Relief and we have made our very own weather reports. We have had a fantastic term in 1NB.

"Outside of school I go to a horse riding club near my house. I started horse riding when I was 8 years old and have been doing it ever since! My horse is white and its name is Pride, who is a colt. I came first in a competition and won a pink rosette saying 1st place. I always have lots of fun when I ride my horse."

Isabel Coombs- 4LH

This term Year 3 had a Roman day. We made mosaics and helmets which we painted. We dressed up as Romans and marched in the hall with our swords and shields that we made for homework. It was a great day!

By Hollie and Belle (3CB)

I enjoyed the space day it was awesome. First we got into partners and we could be Astronauts. We were timed by our partner and we had to do stuff like writing your name twice but once with gloves. After that we created a planet, most girls did unicorns and most boys kept it simple. Finally we went in a tunnel which lead to the dome that was amazing. Oh I almost didn't tell you that all day we dressed up or went in space theme clothes which was cool, because you got

At the start of this wonderful year, our class had a space day. We all came dressed space themed. Also, we had a brilliant planetarium, which took us into space. We also designed and made our planets, using our imaginations. Keeping with the space theme, we had a Virtual Reality Workshop, which also took place in space. Using our creative side, we had been inspired by John Paul. Also keeping creative in the classroom we have been doing Drama, acting out our English text in Mystery and Suspense. Thankfully, all this hard work lead up to our exhibition where the parents came in to see our work in which we sold lemonade which we made and vanilla buns.

By Everyln Fowler-Coulson 5DN

I am a member of the enterprize team and as group, we thought it would be a good idea to launch a competition called "design your own Hull Landmark". For this competition, you had to make a famous Hull landmark out of re-cycled materials. We also got together and came up with the idea of writing to different well-known companies to ask for some prizes. The competition was 50p to enter and you had over 3 weeks to make it. We were extremely shocked by the amazing models that people had brought in and over all it was a huge success.

When the Hull landmarks competition was announced, I had to do it and thought why not do it out of popsicle sticks! When I got home, I planned everything in a book and took a trip to hobby craft to obtain hot glue gun, sticks and popsicle sticks (and more wood resources) a foam board too. I got home and sculptured my Humber Bridge making the first pillar, stacking the sticks along the way, I got help from my mum. When we finished all the pillars my mum helped to construct the bridge with long popsicle sticks. After that we got our string and glued the tops to the posts, we did this on both sides. We were determined to finish it off with cars and water (tissue paper). For the effort I had put in I won a Junior swimming pass. I really enjoyed this activity and it was fun to create.

By Stevie Kelly 6RH

When I heard about the competition I immediately wanted to enter. I thought of doing lots of other things like King Billy's golden statue and my mum suggested Amy Johnsons plane. So I decided to combine them. My neighbour gave me the black card and the bubble wrap which I painted blue for Spencer Tunicks sea of Hull. I cut the decorations out of some old Hull Daily Mail pictures and stuck them on the sides. And that's when I entered it and I stuck in the lights for special effect. We got called down to assembly I was, well my heart was racing. When 2nd place was announced I thought my chances where over....but then the screen said my name and showed by box. I was thrilled to receive the 3 free 1:1 tennis coaching so I left school very happy. I loved it.

By Hallie Taylor 6LA

Message from Mr Norrie
Our school crossing Patrol.

Mr Norrie: The best things you can do to help me and yourselves

stay safe, is if you are on a bike, get off and walk with it across the road when I say it's safe. Sometimes people cycle quickly across and this is dangerous for pedestrians crossing and the cars that may need to brake quickly or may not see the bike. If you are in a car, wait patiently and If you are crossing do it safely.

Thank you

HAPPY
EASTER

Easter egg competition

The children made a fantastic display of decorated eggs, which were displayed in the hall for everyone to see. The eggs were judged by Tina, from Pre-school, who found it very hard because they were all fantastic.

The winners are:

Alexa Page FGS, William Glenn FHP, Thomas Monday FKK, Poppy Beal 1JH, Freya Roberts 1LT, Jack Sagar 1NB, Ellie Addinall 2DS, Frazier Tasker 2HS, Ruben Young 2JH, Joshua Woods 3CB, Leilani Ince 3CT, Dillon Amess 3JB, Emily Leek 4ES, Matilda Hall 4JH, Madeleine Kitching 4LH, Holly Davidson 5DN, Connie Altanni 5JC, Alydia McLoughlin 5HM, Farrell Sleight 6LT, Nathan Smith 6RH, Tia-Mae Wilson 6LA

Easter Sports Newsletter

Once again this term has been a very successful one in regards to sport at Eastfield. The first competition of the term was the u11 Boy's football final. The boys had done incredibly well to make it to the finals and unfortunately on the day they came up against some stiff competition, winning only one of their three group games. A special mention to Kye Clark, who played a year above himself and scored both of Eastfield's goals. Next it was the turn of our year 3/4 and 5/6 Boccia teams. The year 5 and 6 team narrowly missed out on the finals but both year 3/4 teams ended up playing each other in a very laid back and friendly contested finale. Ultimately Eastfield were victorious.

A special well done must go to our year 3/4 and 5/6 Indoor Athletics Teams. Both teams comfortably won their Hull Schools qualifiers and as a result went onto represent Hull in the Country finals. Both teams gave their all and did incredibly well. Unfortunately, they were both pipped to the post by a strong Gillshill team, with both of our teams finishing 2nd. The Year 3/4 team narrowly missed out on first place by just 4 points. Well done to all the children involved within these teams. Later on in the half term, our girls' rugby team travelled to Sirius aiming to qualify for the Hull School Finals. The girls were absolutely amazing and comfortably won all their games at the event. They will now go onto represent Hull in the county finals.

Teams of the Term – Our first team of the term for Spring must go to our **Swimming Team**. Girls and Boys from Year 4/5/6 went to Ennerdale to compete in the annual Hull Schools Swimming Gala. All swimmers performed wonderfully on the day, showing exceptional drive and determination to, in the end, comfortably win the Hull Schools Swimming Gala. Well done to all involved.

Our second team of the term goes to all the pupils who took part in the Year 1/2 Hull Schools Dance festival. Amazingly, the boys and girls that took part won a host of awards whilst dressed as pirates, including best choreography and overall best dance. Well done.

Athletes of the term:

KS1 – Halle for amazing leadership skills in dance.

Lower KS2 – **Victoria Sibova** for her quite frankly incredible swimming skills. Also, the award goes to **Esmae Cockem** for her wonderful athletic ability shown when taking part in the Indoor Athletics.

Upper KS2 – **Kye Clark** for his determination and resilience shown in football and **Markuss (the fish) Justovics** for his leadership and motivational skills shown in the swimming.

Well done to every child that has taken part in a competition this term. All children have shown wonderful behaviour, determination and sportsmanship. Thank you also to all the parents for their continued support and the staff for their help.

Mr Norton
