

Please note school opens on
Wednesday 5th September.

Start of the school day
Get here on time!! Doors open
8.45am

School starts at 8.55am

Well done to most of our pupils for getting to school on time this term. If pupils are late and staff have taken the classes into school, they must report to the school office, using the main reception to get a late mark.

PING!!!!

All our correspondence now goes via PING, this is the communication system for our school. Parents have been given a password and must download the app. If you have any queries please contact the school office. We are trying to go paperless as much as possible.

Our School Summer Fayre raised a fantastic £1129.54. Well done everyone.

Holidays in Term Time

Holidays in term time are unauthorised unless there are exceptional circumstances – see our school policy.

Important Reminder

No ball games, Heelys, bicycles/scooters to be used on the playgrounds or drive at any time.

Please ensure all scooters and bicycles left on the school premises are secured with a lock.

Office hours

Our office staff are always keen to help you with any queries either in person or on the telephone. Please note the office is open and can take calls between **8.30am** and **4.30pm** Tuesday to Thursday and **8.30am** to **4pm** on a Friday. **Monday** is our staff training so the office will be available from **8.45am** to **4.30pm**.

Comments Box — (We are always aiming to improve)

School Meals

The cost of school lunches for Key Stage 2 will remain at 50p. Children entering Year 3 will need to pay for any school lunches taken.

If you feel you qualify for free school meals and have not yet applied, please obtain a form from the School Office.

Please follow us on Twitter
@EastfieldPS

We post many activities that happen in school that your children are involved in. If you haven't got a twitter account you can just google "EastfieldPS twitter". But if you want to like or comment then you will need to create your own account.

Eastfield Primary School
Summer Newsletter 2018

Dear Parents / Guardians,

As we come to the end of term I would like to thank you for all your support this year. It has been a busy year in many ways but with lots of successes along the way. Well done to :-

- THE PUPILS**
- THE PARENTS**
- THE STAFF**
- THE GOVERNORS**

May I take this opportunity to thank all associated with the school for their support and hard work in what has been a pleasing school year. I would like to wish all Year 6 leavers a very bright and successful future.

We are also saying goodbye to Mrs Crossland, Mrs Stamford, Mrs Hall, Mrs Villiotis, Miss Hindson and Miss Groom this summer but wish them well and good luck for the future.

Finally I hope you all have a peaceful and relaxing summer.

Yours sincerely

KATIE BEAL
Headteacher

Well Done!

This term's highest weekly attendance winners are:-

- ★ 1st week - 5DN 100%
- ★ 2nd week - 5HM 100%
- ★ 3rd week - 2HS 100%
- ★ 4th week - 1JH 100%
- ★ 5th week - 3CB 98.7%
- ★ 6th week - 4JH 100%
- ★ 7th week - 2JH 99.4%
- ★ 8th week - 1NB, 5HM & 5DN 99.3%
- ★ 9th week - FKK & 6LT 99.3%
- ★ 10th week - 4LH 99%

This terms winners are 5HM & 5DN.

WELL DONE EVERYONE.

NO DOGS ON SCHOOL GROUNDS AT ALL TIMES. NOT EVEN IF YOU ARE CARRYING THEM! THANK YOU

Over the holidays many of you buy children the required kit for September. May I remind you that PE kit (including outdoor tracksuit) must be in a bag which will fit on the child's coat peg with their coat. We recommend PE kit is kept at school, we will send it home when it needs a wash! We sell the draw string bags which are most suitable at school. Also packed lunches must be brought to school in a separate suitable container and these will be stored separately to PE kit and coats.

First Day Call!

Please remember that if your child is absent we need you to contact us on the first day before 9.30am if possible. If not, we will need to ring you to ask about the absence. **If we do not receive a reason then the absence will be marked as unauthorised.**

The children have enjoyed watching and learning about the life cycle of a butterfly. They have enjoyed making their own booklets retelling the story of the tadpole promise. Making England Flags, and butterfly painting.

By the children in FHP

We have had a fantastic and very busy half term in FGS. We have been reading the book *The Tadpole's Promise* in Literacy. The children have been making fact books about insects, information booklets about the butterfly and frog lifecycle. They have also been retelling the Tadpole's Promise in their own story books. We have been practising handwriting every day to make sure our handwriting is perfectly formed ready for Year 1. The children been looking after the minibeasts in our classroom and managed to get 4 butterflies that we set free on the field this week. We also had lots of children bring in tadpoles and frogspawn; we watched them turn into frogs which we then set free in Skye's pond. With only two weeks left the children are visiting Year 1 regularly to ensure a smooth transition. From all the staff in FGS we have enjoyed teaching and watching your children grow this year, we know they will continue to succeed in Year 1. Thanks for all of your support.

Mrs Stephenson

This term we have enjoyed drawing in the style of Louise Rawlings. We loved getting lost in the maze at Burton Agnes Hall and seeing the colourful flowers that smelt delicious. We have been working extremely hard for our end of Year two play, practising the songs and projecting our voice.

2HS

This year, year 2 went on a school trip to Burton Agnes Hall. We all enjoyed the giant maze and the woodland walk, we also found out about a lady called Catherine whose skull is still buried in the walls.

Reuben Kanwar 2DS

We have loved this term in 2JH! We really enjoyed our trip to Burton Agnes Hall, we especially liked going in the maze. Sports Day was great fun! It was so special having our parents cheering us on. We enjoyed our excellence and enjoyment session when our parents came in to help us recycle plastic into models. It was cool to share our performances in our talent show. We have worked incredibly hard this year and are excited for our summer holidays.

I have enjoyed going to the 'Hands on History' museum where I learnt lots about the Ancient Egyptians. I also enjoyed drawing Egyptian Pyramids using pastel colours in art. I have had lots of fun learning about the topic 'Ancient Egypt' and I have learnt lots of new things.

Emily Nicoline -4LH

We've had a very busy summer term in FKK. We enjoyed our trip to Bugtopia where many children had the opportunity to hold and look at different mini-beasts. We were pleased to see so many parents at our excellence and enjoyment afternoon, where the children enjoyed sharing their learning with their relatives and making bottle gardens for our outdoor area, that are now blooming in the glorious weather! The children did amazing in their very first sports day at school and they all enjoyed their afternoon competing and having fun in the sun! French day was a success, the children had the chance to taste French food and learn some fun facts about France. We are hoping the weather stays as nice for our up and coming annual water day, where children can celebrate their final week in foundation!

FKK

This term in 1LT we have enjoyed learning all about pirates. We started the term with an exciting Pirate day and learnt the code of conduct- it wasn't for the faint hearted! We have been very busy this term, we learnt about famous privateer Sir Francis Drake, we wrote stories about Pirate Pete, used money in maths to pay for things from our class shop, we ran our fastest during sports day, sang Pirate sea shanties, visited Bridlington and enjoyed ice creams in the sun and so much more! We are very much looking forward to the year 1 Pirate Exhibition for our families and friends to finish off a fabulous year!

This term we transformed our classrooms into tea rooms and made afternoon tea for our families. We all designed and made a sandwich which contained only healthy ingredients. We served these to our family members along with other treats like crisps, jam scones and strawberries. We even made our own table mats and bunting, and used the flowers we planted to decorate the tables. It all looked very professional! We were thrilled that so many of our parents, grandparents and family members came to eat at our tea rooms. They seemed to really enjoy themselves and also had a chance to look at all of our books and the amazing work we have produced in year 3.

By 3CB

This term we have been learning about where our food comes from. We worked hard on writing letters to the principle of Bishop Burton College to persuade him to let us visit. We impressed him so much that he wrote back to us and we had an amazing trip there! We looked around the farm, saw insects and animals and visited the dairy farm. It was amazing!

Louis Griffin 4ES

I have enjoyed doing the biathlon. I represented Eastfield Primary School and I placed 2nd out of over 30 Year 4's. Overall our team won gold, we all loved it! I swam 25 meters in 22.17 seconds.

Emily Leek 4ES

I liked the Hands on History museum trip that we went on because we learnt lots of different things about the Ancient Egyptians and also we got to see a real mummy. We also learnt a lot about Tutankhamun, the Pharaoh.

This term has been a great term. We have had a great time at the Grimsby Fishing Heritage Museum. It was very educational and it had some funny smells and sounds. Additionally we walked across the Humber Bridge and back to raise money for the Hull Bullnose Heritage Group. We had a great time. Added to these wonderful events we took a visit to Sirius and we learnt quite a lot. It was a great experience and some of us are hoping to increase our knowledge there.

By Everlyn Fowler Coulson 5DN

This term we went bowling it was really fun. We did it because it was a reward for trying really hard in SATS. They were actually ok the best part was the rewards and biscuits. Anyway after we had a game of bowling we went to the arcade. I won 224 tickets. In between we were able to get food and drink from the bar. It was really good fun. Although I am excited and nervous to go to high school I really will miss Primary School. It has been amazing this year. BYE Eastfield
Evie Waller 6LA

Next week we are performing our Year 6 play Bugsy Malone, we are getting to be really good at acting and singing the songs. We have been practicing the play for a couple of weeks, all of us know our lines. We are really looking forward to performing the play some people are nervous but I think we'll do really well. We are currently still practicing the play and getting our costumes.

By Sam Howe 6LT

Summer Sports Newsletter

Once again this term has been a very successful one in regards to sport at Eastfield. This term we have attended over 20 competitions in Year 3/4 and 5/6. This term our children took part in Eastfield's very first netball competition in which we came 3rd. We then followed this up two weeks later by finishing 3rd in Hull Schools Netball Competition.

Next it was the turn of our cricket team (another new competition). Our team performed admirably narrowly losing in semi-finals. This term saw our Boys and Girls Futsal teams taking part in the Futsal finals. Our boys finished 3rd after losing in the semi-finals but our girls went onto to comfortably win their games and finished 1st.

As always the summer term is absolutely packed full with athletics competitions. This year children from years 3/4/5 and 6 completed in both the Hull Primary Athletics Competition and the Hull Quadkids competition. All athletes represented their school colours with extreme pride and there were some fantastic results across all year groups.

I would like to take this opportunity to thank all the children, parents and staff for their continued support in helping to maintain Eastfield Primary as one of, if not the, leading school for Primary sport in Hull.

Teams of the Term – There can only be one winner in this category and that is of course our **Year 3/4 Quadkids team**. Our team this year won the competition, meaning they are the best team in Humberside and Lincolnshire.

Athletes of the term:

Lower KS2 – **Myles Carey** for winning Hull School's Primary Athletics 75m championships. Meaning he is the fastest boy in Hull over 75m.

Upper KS2 – **Olivia Hutchinson** for her fantastic leadership qualities in the Futsal competitions.

Also, **Scarlett Jackson**, for her quite frankly breath-taking dance skills.

Mr Norton

My favourite bit about this term has been when we walked across the Humber Bridge because it gave me a good chance to clear my head. It also gave me the time to catch up with my friends, the downside was that after it my feet really hurt! On the upside the ride back was really relaxing and I almost fell asleep. That was the most fun day off all.

By Luke Williams 5HM

This term we have learnt how to use crumble bits. A crumble kit is an electronic device where you can make multi coloured lights flash. It has been amazing how to do it with my friends. I loved it and can not wait for next term.

By Erin Taylor 5HM

Quadkids Final

We walked to the Costello Stadium. We all had to do four events. The 50 metre sprint, 400m run, long jump and vortex. I came first in my 50m sprint and third in my 400m run. I really enjoyed it because it was really fun and we also came first.

By Myles 4JH

Over the last couple of Saturday mornings some Y6 children have been learning how to drive our Goblin kit cars. Mrs Roberts and Eddie have been teaching us skills to improve our racing so we can compete in the Greenpower Goblin race event on Sunday 15th July at the Humber Bridge Country Park. We are competing in a drag race, slalom and timed races. If you knock over any cones then you will be given a penalty! We have enjoyed working as a team and encouraging each other to do well. We even have team overalls which have been sponsored by R.A.O. Controls LTD which make us feel like a professional race team.

Keep your fingers crossed for us that we will do well on Sunday.

Y6 Goblin Race Team
